

Your home for heating and comfort services.

Heating oil | Propane | AC | Generators | Indoor air quality

CARPENTER & SMITH

Proudly serving customers since 1867

Orange County counts on Carpenter & Smith.

For over 150 years, your neighbors have relied on us to heat their homes and keep them comfortable all year round.

- We're local — we live and work where you do
- Our services are all designed to help you save
- 24/7 customer service means you always talk live with our team

Our range of services, programs and plans include everything you need for home comfort and energy savings.

Heating oil

- Reliable automatic delivery
- A constant supply of oil — we never run out
- SmartPay monthly budget plan
- Energy-efficient heating systems, installation, service and repair
- Service plans for total peace of mind all season

Air conditioning

- Installation, service and repair of central and ductless mini-split AC systems
- Free estimates and equipment inspections
- Tune-ups to keep AC running at peak efficiency and prevent costly repairs
- Service plan options for a worry-free summer

Propane

- Reliable automatic delivery
- No hidden fees
- SmartPay monthly budget plan
- Equipment installation, service and repair

Generators

- Expert advice to help choose the best backup generator for your home
- Professional installation, service and repair of propane and gas-powered whole house generators

Indoor air quality

- Systems using the latest technology to help prevent allergens, viruses and air pollutants entering your home
- Quick and easy installation to your current HVAC system
